

SOUND, SIZE, AND  
VERSATILITY. PERFECTED.

Bowers & Wilkins

FORMATION FLEX

The ultimate in clear, big sound—now in a compact and versatile wireless speaker. Formation Flex packs our 600 Series tweeter and woven glass fibre cone woofer technology into a sleek and compact body. Powerful enough to be used independently or in a pair for stereo sound. Sync it with other Formation speakers to create your perfect home audio system or go all in with the Formation Bar and Formation Bass for a brilliant 5.1 surround sound experience. No matter the configuration you'll get legendary Bowers & Wilkins sound. As part of the Formation Suite, it's the Highest Form of Sound™.

\*Formation products create a mesh network. Each product in this network dynamically chooses the optimal path to route audio-data between products, in order to ensure a robust streaming experience. We have therefore certified Formation products for High Network Availability (HiNA) and conform to the appropriate power requirements set out in the ERP directive.
